

A Financially Responsible SUMC!

Our wonderful new Ministry Center is now a reality!

We need your help! Even after a successful Capital Campaign, we still have a \$3 million dollar mortgage which will require a payment of approximately \$23,000 per month. Rather than proposing another capital campaign, we are creating a new church giving program. We are asking our members and regular attendees to commit to a simple and affordable twenty dollar per week gift with no time limit. We call this commitment, the **Twenty Dollar Fellowship**. This commitment will be in addition to your normal tithes and offerings toward our church budget.

Our overall goal is for 265 participants to join the **Twenty Dollar Fellowship**. We hope that you consider joining! You may have received a commitment card in the mail but if you didn't, you can pick one up in the back of the Sanctuary/Assembly Hall, in the Church Office, or email your commitment to finance@swansboroumc.org.

There are several options for payment: Cash or Check, Automatic Monthly Draft, Online.

In order for these efforts
to be a success,
your participation is key!

265 participants x \$20/week =
