HEROES in ACTION-----VBS Mission Project

Every year we have encouraged our children to bring donations in for our projects, in an effort to teach them how to "give back" to their communities. This year's mission project for VBS,

Hope for the Warriors assists service members, veterans, and families touched by military service to restore their sense of self, family, and hope. Our mission offering will specifically support a local military family. We will also reach out with caring cards to the military members currently residing in the Wounded Warrior Battalion East Coast aboard Camp Lejeune as they recover from injuries. These cards will be made by the students during a craft session.

It is most important to praise God and thank Him for our many blessings. It is also important to remind our children that coming together to raise awareness and collect donations is something that all children can accomplish no matter how big or small.

Thank you for bringing your child(ren) to VBS each night, and for doing your part to be a hero in action! Don't forget to bring a friend, have them register at the NEW registration table, and to wear the color of the night.

Monday- Red

Tuesday- Green

Wednesday- Blue

Thursday- Purple
