Dismissal with Blessing

(During this season, we will be receiving communion with pre-packed and sealed wafers and juice. You will find these already in the designated seating areas that are available. If at the appointed time you do not have one, please raise your hand and a masked and gloved assistant will bring one to you.

Please wait until the time when we can all partake together. We also ask that each person carry the empty plastic containers out with them when leaving and deposit them in receptacles provided at the exit)

The congregation is asked to please wear a mask when moving closer to others not in your family/bubble and also if you sing along with hymns and songs. Help us model neighbor-love as we seek to keep all safe.
