

The Congregations for Children team at SUMC is collecting school supplies for Silverdale Elementary again this summer! Take a list, shop and drop off items in our bins and laundry baskets located outside each church service, and in the church office hallway. They are marked for Silverdale. Thank you for helping families give their children the needed supplies for their first weeks of school and beyond. Silverdale is a Title I school with approximately 47% free and reduced lunch students. There is an additional basket to donate for classroom staff, downstairs across from the elevator. (different list is located on the basket!)

over-the-ear student headphones

#2 pencils

16 or 24-count boxes of Crayola crayons
