

## **Pour Your Spirit Out**

### **Verse 1**

You've been down long enough, no more walking in shame  
'cause the way that he loves you, isn't something you can change.  
You've been running in circles, but you can't hide from grace  
'cause the way that he loves you, isn't something you can change.

### **Chorus**

Just like Lazarus, out of that grave, our God rewrites history.  
Jesus, You change ev'rything, when you pour Your Spirit out.  
Just like Silas, singing with Paul, praise can break down prison walls.  
Jesus, You can have it all; won't you pour Your Spirit out,  
Pour Your Spirit out, pour Your Spirit out.

### **Verse 2**

You can rest in His presence, you can trust in His name.  
'cause His burden is easy, and He's perfect in His ways  
You can run to the Father, there's no reason to wait  
'cause His arms have been open, that's not something you can change.

### **Chorus**

### **Bridge**

All we have to do is just ask, seek, knock  
watch the door swing wide open.  
Roll back that stone (Roll back that stone)  
Roll back that stone (Roll back that stone)

## **Holy Spirit**

### **Verse 1**

There's nothing worth more that will ever come close  
No thing can compare You're our living hope  
Your presence Lord.

### **Verse 2**

I've tasted and seen of the sweetest of loves  
Where my heart becomes free and my shame is undone  
Your presence Lord.

### **Chorus**

Holy Spirit You are welcome here  
Come flood this place and fill the atmosphere  
Your glory God is what our hearts long for  
To be overcome by Your presence Lord.  
Your presence Lord

## **Holy Spirit** *(continued)*

### **Verse 1/Verse 2**

### **Chorus**

### **Bridge**

Let us become more aware of Your presence  
Let us experience the glory of Your goodness *(repeat the bridge 3 times)*

### **Chorus**

## **Thank God I Do**

### **Verse 1**

I've seen love come and, I've seen love walk away.  
So many questions, will anybody stay.  
It's been a hard year, so many nights in tears  
All of the darkness, trying to fight my fears.  
Alone so long, alone.

### **Chorus**

I don't know who I'd be If I didn't know You  
I'd probably fall off the edge.  
I don't know where I'd go if You ever let go  
So keep me held in Your hands

### **Verse 2**

I've started breathing, the weight is lifted here.  
With you it's easy, my head is finally clear.  
There's nothing missing, when You are by my side.  
I took the long road, but now I realize.  
I'm home, with you, I'm home.

### **Chorus X2**

### **Bridge**

You're my safe place, my hide away.  
You're my anchor, my saving grace.  
You're my constant, my steadiness.  
You're my shelter, my oxygen.

### **Chorus**
