

## **Enaboishu “Solidarity” Kimyaki Empowerment Group, Tanzania 26 Households, 86 Children**

Meet our Group!! Because of your incredible generosity and love, the Solidarity Group has been formed in Tanzania. There are 26 Heads of Household and 86 Children in the Solidarity Group. We will have the privilege of sharing their journey over the next three years, as they go from extreme poverty to self-sufficiency!

Please be in prayer for these children as they embark on this amazing journey.

For a full report on this and other groups, stop by the Zoe table after service to sign up for email updates and pick up copies of our first report.
