## **②** Discover God's Word. Build Lasting Community. Be Transformed. □

When you join a **Community Bible Study (CBS)** group, you are stepping into something far bigger than a weekly meeting — you're participating in a **local and global movement of God's transformative Word and community**.

In CBS, we gather to open Scripture together, ask questions, listen to God's voice, and grow in our understanding of **who He is**. Along the way, we also deepen our relationships with one another — supporting, encouraging, and praying for each other. This combination of God's truth and genuine fellowship changes us from the inside out, shaping us into people who live and love more like Jesus.

Whether you've studied the Bible for years or are opening it for the very first time, there's a place for you here. You don't need to have all the answers — you just need a willing heart to learn and grow.
