

SUMC/PVUMC Faith in Action Oct. 25th

Join Us in Helping Families Return Home

Let's go volunteer together! As the NCCUMC Columbus County disaster response ministry comes to a close in October, they are committed to finishing strong and want you to be part of it. Join us for Faith in Action this fall, volunteer weekends focused on helping families repair their homes following several hurricanes. The goal is to assist 20 families over the four-weekend event. They need help.

SUMC and PVUMC are partnering together, having volunteers serve on the final weekend of service on October 25th. On this last weekend, after a day of productive work, everyone will gather for a Pig Pick'n to celebrate the work accomplished together.

Teams will work on a range of projects, including repairing roofs, flooring, walls, porches, steps, and painting, as well as other essential repairs. Volunteers are also needed to clean and organize, as well as to prepare and deliver lunches to teams in the field. Whether or not you have construction experience, there's a spot for you on a team, and your participation makes a real difference!

Spaces are limited, so be sure to sign up early. If you cannot serve on a weekend, please know weekday opportunities are available. Please contact disaster@nccumc.org for details about serving during the weekdays. If you are unable to serve, you can still make a difference by supporting the work through the **NC Storm Fund**, which provides the necessary materials to repair homes.

We hope you will join us in bringing hope to these families!
